How it Works

The Childminder Weekday Annual Membership is designed to work in the same way as a normal annual pass, however this pass does not need to be for a specific child. The Childminder's Annual pass can be used to bring between 1 and 6 children under 13 years old and is transferable between children, as long as the same Childminder is present. Please note, if you are registered to look after less than six children, the number of children you are registered to look after will be the maximum number of children you can bring to the park on each visit using the Childminder annual pass.
